WORK/LIFE BALANCE THIS WAY

WORK THIS WAY

Workspace Focused on People's happiness, wellness and inspiration

- Workspace should be clean, secure, spacious, bright, enjoyable
- Various amenities and large spaces allow for staff to work from various areas – the office, the coworking desk, the lounge areas, the library, the meeting pod, the phone booth, the café lounge or the presentation podium.
-
- Bringing nature, art and culture, light background music into the workspace allows for employees to feel inspired, productive, take a break, read, stretch, enjoy art and a nice cup of coffee
- Our focus is on Wellness and Work & Life balance – we have fruit days, mindfulness and yoga, sports card. Sustainability is important to us – we say no to plastic, we recycle and use sustainable furniture and materials
